"ANOTHER LOVE"

Lyric by Bob Kessler

Girl, I promised you, I know
 That our love would always grow
 What we had would never go through changes
 But you've gone so far away
 And the longer that you stay
 Time will turn us, turn us, day by day to strangers,
 To strangers
 And Girl, I need a lot o' love to live
 'Cause I got a lot o' love to give
 Since you've taken all your love away
 Gonna find another love today (Another Love....etc.)

 Girl, You gave an' Girl, you got
 We both learned an awful lot
 Now I know, no matter what, I'll make it
 Since you came an' taught me how
 Lovin' is my habit now
 An' there's ~~now~~ no way, ~~now~~ way I'm about to break it,
 to break it.....
 'cause Girl, I need a lot o' love to live
 'Cause I got a lot o' love to give
 Since you've taken all your love away
 Gonna find another love today (Another Love, etc.)
