"FOUR"

Music and lyric by Bob Kessler

ONE..... Wonderful One
TWO..... To you I will say
THREE.... Three wimple words, I love you
FOUR..... Forever and a day

We'll find our seventh heaven
Cloud Nine is waiting too
Still FOUR's our magic number
You for me, me for you....

ONE..... Wonderful One
TWO..... Too good to be true
THREE.... Three wishes I've been granted
FOUR..... For now I'm holding you....

And Darling, when I've loved you
For a hundred years or more
We'll recall starting small
Counting up to FOUR.
